KION VIDA FOUNDATION

KION Resources will channel its social and environmental commitment through the KION VIDA Foundation, the human heart of the project.

SOCIAL AND ENVIRONMENTAL IMPACT

RESPONSIBLE MINING, PROSPEROUS COMMUNITIES, SUSTAINABLE PLANET

KEY PILLARS:

-  Responsible mining formalization
-  Education and technical training
-  Health, well-being and community support
-  Programs for mining families
-  Environmental protection and ecological restoration
-  Replacement of polluting practices
Mining without mercury or cyanide
-  Local economic development
-  Inclusion of vulnerable communities
-  Generation of decent and sustainable employment

 RESPONSIBLE MINING FORMALIZATION

 EDUCATION AND TECHNICAL TRAINING

 HEALTH, WELL-BEING AND COMMUNITY SUPPORT

 PROGRAMS FOR MINING FAMILIES

 ENVIRONMENTAL PROTECTION AND ECOLOGICAL RESTORATION

 MINING WITHOUT MERCURY OR CYANIDE

 LOCAL ECONOMIC DEVELOPMENT

 INCLUSION OF VULNERABLE COMMUNITIES

 DECENT AND SUSTAINABLE EMPLOYMENT

OBJECTIVE:

Transform mineral wealth into real well-being for communities, protecting the environment and creating long-term opportunities.

KEY MESSAGE:

"We don't just extract resources; we build life, future and prosperity for communities."

KION RESOURCES

"We connect resources. We create value. We build the future."

THANK YOU

FOR BEING PART OF THIS JOURNEY

At KION RESOURCES, we don't just extract minerals.
We build opportunities, transform lives
and create a legacy of prosperity
for a better world.

CLOSING A PROJECT, OPENING A FUTURE.

This is just the beginning of a long-term
commitment to responsible mining,
technological innovation and global
sustainable development.

OUR MISSION

To generate sustainable value
from our natural resources,
driving development, innovation
and well-being for communities
and future generations.

OUR VISION

To be a global benchmark in
responsible mining, technology,
and sustainable industrial
development.

OUR COMMITMENT

Sustainability, integrity,
innovation and excellence
in everything we do.

GLOBAL IMPACT

Connecting resources
with the world.

INNOVATION

Technology and knowledge
driving the future.

SUSTAINABILITY

Respecting the planet,
building the future.

PEOPLE

Our greatest value,
our greatest purpose.
